

EC - Declaration of Conformity

The manufacturer / distributor

Noyes Robotics GmbH
Leopoldstraße 37a, 80802 Munich, DE

hereby declares that the following product

Product name: Noyes Storage
Model designation: Noyes Storage S, M, L
Serial number: S000011 et seq.
Year of manufacture: 2024 et seq.

complies with all relevant provisions of the applicable legislation (hereinafter), including any amendments thereto in force at the date of this declaration. The sole responsibility for issuing this declaration of conformity lies with the manufacturer. This declaration includes modular modifications of models S, M and L provided that no other components are used. This declaration relates only to the machine in the condition in which it was placed on the market; parts and/or modifications subsequently fitted by the end user are not taken into account.

The following legislations have been applied:

Directive 2006/42/EG (Maschine Directive)
Directive 2011/65/EU (RoHS)
Directive 2014/30/EU (Electromagnetic compatibility)
Directive 2014/35/EU (Low voltage directive)

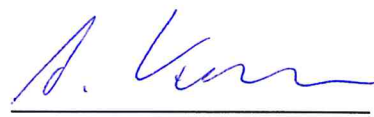

Following harmonised standards have been applied:

DIN EN ISO 12100:2011-03	Safety of machinery - General principles for design - Risk assessment and risk reduction
DIN EN IEC 61000-6-1:2019-11	Electromagnetic compatibility - Immunity standard for residential, commercial and light-industrial environments
DIN EN IEC 61000-6-2:2019-11	Electromagnetic compatibility - Immunity standard for industrial environments
DIN EN IEC 61000-6-4:2020-09	Electromagnetic compatibility - Emission standard for industrial environments
DIN EN IEC 61000-6-8:2022-02	Electromagnetic compatibility - Emission standard for professional equipment in commercial and light-industrial locations
DIN EN IEC 61558-1:2019	Safety of transformers, reactors, power supply units and combinations thereof
DIN EN IEC 61558-2-16:2009+A1	Particular requirements and tests for switch mode power supply units and transformers for switch mode power supply units
